Body Wraps :

Parafango Body Wrap

\$80.00

\$225.00 package of (3)

\$400.00 package of (6) - (1) free!

The Parafango body wrap is a perfect combination for treating cellulite and speeding inch loss, due to thermal properties of paraffin and the detoxifying effects of the mud. During a treatment, the warm parafango stimulates the lymphatic flow in the body and draws out toxins from around the fat cells, resulting in immediate, noticeable results. This particular body wrap is good for liposuction patients. It is good to have treatments prior to liposuction as it helps to liquefy the fat so it is easier for the doctor to remove. This treatment also feels good on joints, is good for injuries, arthritis, and after surgery for repair. It is ideal to have a body wrap prior to a big event such as a wedding, vacation, or any other special occasion!

Slimming Tummy Mask
